Experience CDDC's Vocation Dance Course (Full Time) students on stage at ANU Arts Centre for an inspiring evening of classical ballet, contemporary dance and theatrical dance.

Featuring beautiful Ballet excerpts from Paquita, Swan Lake, Giselle, La Bayadere, La Esmeralda, Don Quixote and The Sleeping Beauty. Two stunning contemporary works including recent *award winning dance and audience favourite 'Bright Shadow' (Choreographed by Paul Knobloch) and an electric theatrical tribute to master choreographer Bob Fosse.

The production concludes with an on-stage discussion and engaging Q&A with the dancers and CDDC Director Jackie Hallahan. We ask that school groups please encourage their students to prepare some questions to ask during this time.

Supporting dancers in the performance include students within CDDC's Youth Extension Program working their way towards joining CDDC's Vocation Course in the future.

The production is staged by renowned Australian dance educator, CDDC and Metro Dance (Sydney) Director Jackie Hallahan.

We hope you will join us to see our centre's most advanced students showcase their talents. Please share this amongst your friends, all are welcome.

* 'Bright Shadow' 1st place Jury award at Sydney Eisteddfod Dance of Champion 2016
